Dr. Rogena Johnson, MD

ABOUT ME

My name is Rogena Johnson. I was born and raised in Hutchinson, Kansas and am so happy to be back in my hometown with all the familiar faces and places! I attended K-State and graduated in 2000 with a BS in Lifescience. I then went on to graduate from The University of Kansas School of Medicine in 2005 with an MD and proceeded to do my residency in Family Medicine there as well, which I completed in 2008.

Since that time I have been practicing medicine in Southeastern Florida, where the weather was nice but it just wasn't "home". I am a broad based general practitioner who firmly believes in preventative health care and overall wellness. I am board certified by the American Academy of Family Physicians. I was trained in Aesthetic Medicine in early 2012 in Miami by the American Academy of Aesthetic Medicine and hold their official certification.

I enjoy every aspect of what I do, but I especially love to help people look and feel their best! I invite you to book an appointment with me at the Phoenician Salon for a beauty consultation or aesthetic services, or at PrairieStar Health Center for any health or wellness needs. Complimentary to beauty services, at PrairieStar I offer hormone evaluation and bio-identical hormone management for men and woman as well as weight management. Call for an appointment!
